DEVOTION DIVE

Isn't it a wonderful feeling when we achieve a goal that we have put a lot of work into? It can be tempting to give ourselves the glory and praise for what we have done. Don't get me wrong, we should be proud of ourselves, but Jesus reminds us again and again to give God the glory, like in John 12:27-28.

God is the One who gives us life and breath and allows our dreams to happen, so let's give Him the praise and glory! And, when we do this, it will keep us humble and allow us to be lights to others. As we thank God for helping us accomplish our goals, people will be able to see the deep and awesome love of Christ.

Continue asking God how you can serve His kingdom through loving Him and loving those around you. As you seek the Lord, He will help you to accomplish immeasurably more than all you could ask or imagine, for His glory! So, get ready! The adventure continues!
